

# Miles Of Smiles

Miles of Smiles, Ltd., is a team of dental professionals delivering preventative and educational services to children in schools, Head Start programs and other community agencies. We are committed to treating each child with compassion and respect.

Fall 2014

Miles Of Smiles, Ltd.

Vol. 3, Issue 2

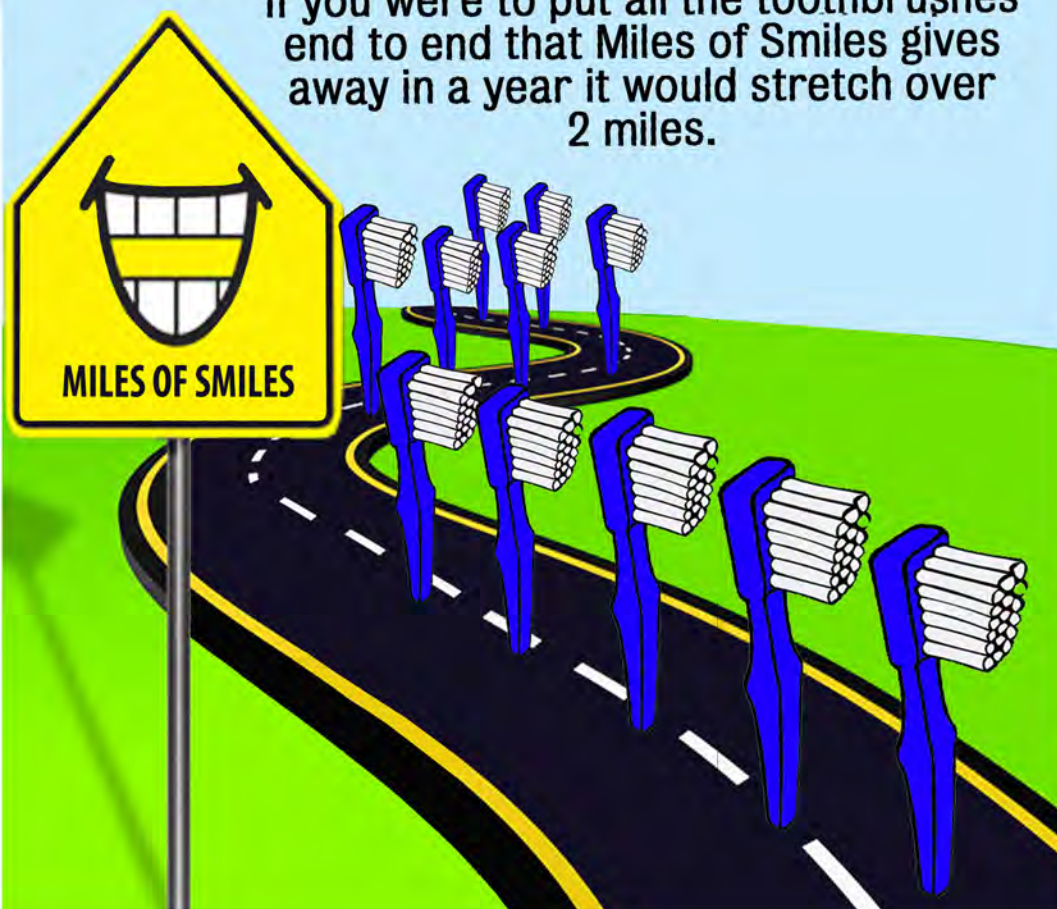

Fall for Smiles is an annual communications campaign that aims to educate communities about the importance of: healthy food choices, regular dental visits, brushing and flossing your teeth and avoiding tobacco.  
**Contact Us To Find Out More**

Mojo the Monkey with hygienist Lorna at the Illinois State Fair. They were giving out toothbrushes & dental health information.  
**We can provide a presentation on dental care for your students.**

Miles Of Smiles gives out over 17,000 toothbrushes to students each year. They also donate to organizations and hand out toothbrushes at several health fairs.

If you were to put all the toothbrushes end to end that Miles of Smiles gives away in a year it would stretch over 2 miles.

# You have a choice!

Miles of Smiles, Ltd. has been Illinois' premier school-based mobile dental company since 1999.

Miles of Smiles is used in more schools in the state of Illinois than any other mobile dental company and there is a reason why we are number one!

- We pride ourselves on providing the BEST, COMPLETE, COMPASSIONATE, COMPREHENSIVE, and PROFESSIONAL care over any other mobile dental company in the state of Illinois!

- Every patient receives high quality Colgate toothpaste, toothbrush, and floss.

- We provide oral health education to each and every patient we see.

- We do FBI background and finger print checks on all of our employees to

ensure safety to the children.

- Miles of Smiles staff that provides services to your school are local to your community.

- Miles of Smiles donates back all grant funding to your local health department to be used in your community. Other companies feel it's too much trouble to participate.

- The mission of Miles of Smiles is to increase dental access to underserved children of Illinois.

- Call today at 309-382-6404 or email [milesofsmilesLtd@gmail.com](mailto:milesofsmilesLtd@gmail.com) to get your school started!

## We offer restorative care!

The data for restorative services completed during the last school year: 226 treated in 24 schools. The services we provided range from xrays, fillings and extractions.

## A BIG thank you!

Thanks to all the schools that participated in the Healthy Smiles Healthy Growth Assessment the last school year.

We were proud to help gather the information.

The data gathered is so valuable to assess the health of our children.

It will be compared statewide & nationwide to evaluate where improvements need to be made. As soon as it is published we will forward the information to the participating schools. There were 19 schools and 795 children screened:

Egyptian Elem. School,  
Tamms  
North Greene Elem. School,  
Roodhouse  
C M Bardwell Elem. School,  
Aurora  
Howard B. Thomas Grade  
School, Burlington  
Parkview Elementary,  
Carpentersville

Frohardt Elem., Granite City  
Hartford Elem., Hartford  
Lewis & Clark Elementary,  
Wood River  
Hawthorn Elem. School,  
Salem  
East Side Intermediate  
School, Harrisburg  
Wilcox Elem. School,  
Springfield

Follow us on Facebook by liking "Miles of Smiles, Ltd". You will find all the latest news, photos and updates.

Nikki our hygienist with Donovan after he got his teeth cleaned.

## Snack Attack!

A great idea for a healthy snack that will make kids smile. Use apple slices, peanut butter and mini marshmallows.
